Elevating Spiritual Consciousness

YOUR MONTHLY BLESSING

APRIL BLESSING

“ May the Light that shines upon the way of the great Revealers brighten your path also. May it heal and fortify you ... and supply the quality of assurance that helps you meet every situation with confidence. ”

AFFIRMING MEDITATION

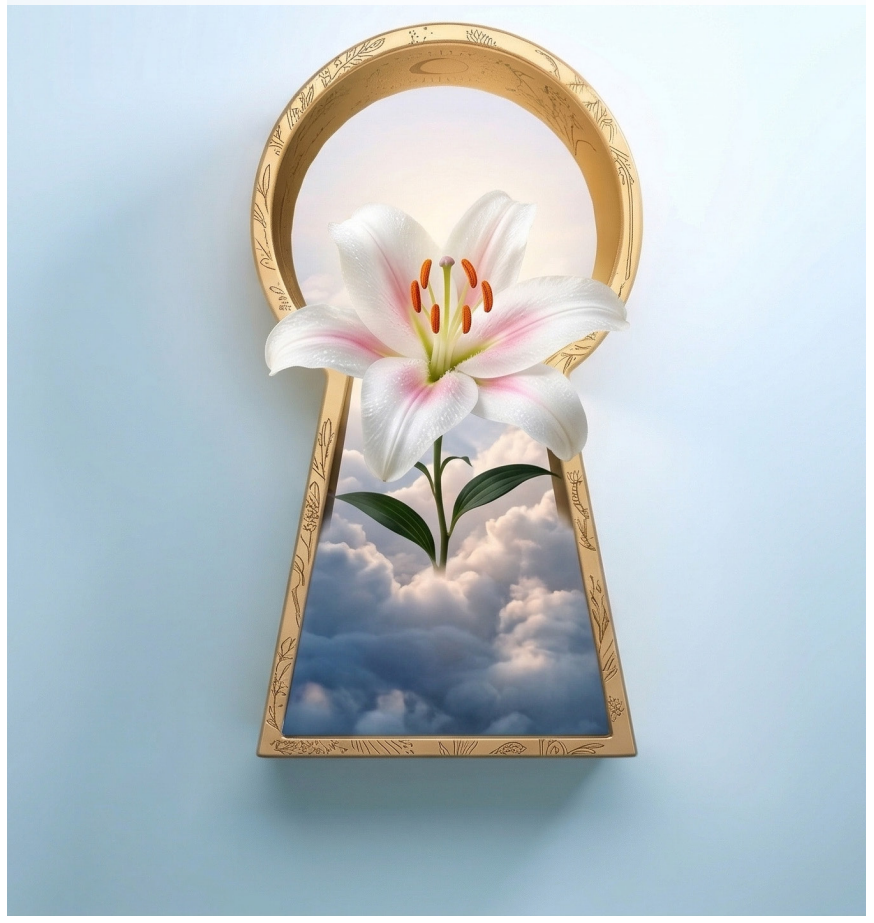

As I close my eyes and ears to the physical world around me, and center my attention upon the spiritual dimensions within me, I find an inner center of peace and stability ... a place where God is and I am.

PROTECT YOUR LIGHT (YOU MAY BE A CHANNEL FOR THE GREAT WORLD TEACHER)

Have you given thought to the role you play in the drama of crisis, conflict, and the Second Coming? The prophecies have all declared that Christ will arrive with many helpers. Who are these helpers? They are YOU and You- and me. His helpers are the devotees of the Light.

Earlyne reminds us in Revelations of Things to Come: “Move toward new age Teachings, beloved, if you would be among those who would bring the kingdom of God to Earth. The planet moves rapidly into the ethers of the Aquarius and the pace of progress quickens. If you will expect your mental vision to reach beyond your limited daily horizons and attempt to see the world with an extended vision, you will be astounded at the stupendous changes occurring under your very eyes. The pace of progress into the new age is reaching high speed.”
