Elevating Spiritual Consciousness

YOUR MONTHLY BLESSING

## JULY BLESSING

“ May the symphony of the spheres sound harmoniously in your life. May the echoes of the higher life strike a responsive cord in all your efforts so that you become a harmonious instrument for the Spirit within. May heaven and earth blend in you and all you do. ”

## AFFIRMING MEDITATION

*As a center of Divine Life, localized at a point in time and space, let the Greater Life flow through me into the world of persons, things and situations around me.*

*Come unto me, Life that is greater than my life, and through me make a new world ... a world infused with the essence of the Infinite, a world endowed with the substance of Spirit.*

## THE SONG CELESTIAL

*from the 9th Degree Lesson*

*The Song Celestial, the omnipresent song of life, permeates each space I enter.  
Its eternal melody accompanies me wherever I go.  
It is with me in Gethsemane and in Resurrection,  
here and hereafter.*

*Time is not that it is not with me.  
Space is not that it is not with me.  
It sings, and strengthens my weaknesses.  
It sings and shares my sorrows and joys.*

*It restrains my excesses, and elevates my successes.  
It inspires me, from the smallest cell of my body to  
the purest emotions I can manifest,  
to the highest thoughts I can declare.  
Its serenade is the eternal jubilee, the Promise Incarnate.  
-And thus hymns the never-ending Song Celestial-*
